Report on Mental Health and De-addiction Lecture

An **Expert Lecture** was conducted on Mental Health and De-addiction on 17th Sep. at VGU Technology block 11:00 am onwards. The talk was delivered by **Dr. Gajanand Verma** – Chairman Anti-Drug Campaign. The lecture on “*Mental Health and De-addiction*” was an insightful session aimed at addressing the growing concern surrounding mental health disorders and addiction, both of which are increasingly prevalent in today's society. The speaker provided an in-depth exploration of the correlation between mental health issues and substance abuse, and highlighted the importance of early intervention, treatment, and de-stigmatization.

The lecture on *Mental Health and De-addiction* was both informative and transformative, shedding light on the complex relationship between mental health issues and addiction. By highlighting the importance of early intervention, proper treatment, and a supportive environment, the speaker empowered participants to be more understanding and proactive in addressing these challenges. The session underscored the need for continuous dialogue on mental health and addiction to build healthier, more compassionate communities.

All the students of the Department of Allied health sciences attended this talk and were highly enlightened by the presence of Dr. Gajanand Verma.
