# *Reunion* 2026

The VGU Alumni Association is dedicated to building India's next wave of leaders, innovators, and change-makers, operating on the core belief that once a VGU student, you are forever part of our community. We are redefining the role of an alumni network; rather than serving merely as a reunion organizer, the revamped Alumni Cell is a lifelong career and community partner designed to help alumni thrive at every stage of their professional journey. We position our network as inclusive, engaged, and impact-driven, offering a competitive, accessible, and practical alternative to traditional elite institutional models. Our vision is to cultivate a vibrant community that leads with excellence, innovates fearlessly, and gives back to uplift future generations.

What sets VGU apart is our diverse, multidisciplinary ecosystem. Unlike purely tech-focused or management-focused institutions, the VGU Alumni Association is a powerhouse across six to seven professional domains. Our alumni are redefining success in technology, entrepreneurship, hospitality, law, architecture, healthcare, and media. This transdisciplinary culture ensures that our network is not just about connecting with peers in the same field, but about bridging sectors to spark innovation and collaboration, allowing alumni to work across silos. We support our members through a structured approach that spans their entire career: from onboarding fresh graduates with resume reviews and soft skills workshops to offering leadership programs and advisory board roles for established professionals.

To facilitate this connection, we are launching a world-class alumni portal with features that rival global standards, including single sign-on access, mentorship matching engines, and exclusive job boards. We are also expanding our physical footprint through regional chapters in major metros like Jaipur, Delhi, Mumbai, and Bangalore, as well as international hubs, ensuring you are supported wherever your career takes you. Ultimately, we aim to create a virtuous cycle where alumni engagement strengthens the entire university ecosystem. By mentoring students, collaborating with faculty on research, and contributing to endowments, our alumni directly shape the future of the institution. Led by students and faculty, the VGU Alumni Cell creates a peer-driven community where every member plays a vital role in building a lasting legacy of impact.

# A Message for the *President* (Alumni Association)

---

**Dear Alumni and Friends,**

It is both an honor and a privilege to address you as the President of the VGU Alumni Association. As I look back on my own days as a B.Tech Computer Science student at VIT, and look forward to where we are going now, one thing remains constant: the incredible spirit of our community.

Our alumni network is a testament to the journey we have all shared. From the lecture halls of Jaipur to boardrooms and innovation hubs around the world, our graduates are making their mark. As we navigate an era of rapid technological and social change, the bond we share as graduates of Vivekananda Global University and VIT becomes our greatest asset.

Our goal for the upcoming year is simple yet ambitious: to strengthen the bridge between our accomplished alumni and the current students who look up to you. I invite you to engage, mentor, and reconnect. Your experience is the blueprint for the next generation's success.

Thank you for carrying the VGU flag high. I look forward to meeting many of you at our upcoming events.

Warm regards,

**Digvijay Singh**  
President,  
VGU Alumni Association

# A Message for the *Alumni Relationship Officer*

---

## **As Alumni Relationship Officer**

of VGU's Alumni Association, I'd like to congratulate you all on your success in graduating and becoming alumni of Vivekananda Global University, Jaipur. I'm delighted to welcome you to VGU's Alumni Association and hope that many of you will become involved and attend our exciting events in the coming year. Please sign up on the VGU's Alumni Portal.

Those wishing to become more fully engaged and shape the Association's activities with clubs, sports and societies are most welcome to do so. VGU's Alumni Association is an independent organisation run by alumni and aims to support those who wish to lead their own initiatives and activities for other alumni.

These can include dinners, networking events, sporting activities, debates, and informal social gatherings. We welcome volunteers and new ideas. Do keep in touch and I look forward to meeting you at future events.

# Graduation is not the end *it's the beginning*

---

**Your relationship with VGU doesn't end with your studies.** Today, you become part of a life-long global alumni community. It is a community where people who share the unique experience of a VGU's education support one another, continue learning together and maintain pride in their university. Here's how to make the most of it. Benefits for VGU's alumni include:

---

## Alumni Events

The Alumni Cell organises a variety of events. Highlights of the programme include VGU's Expert Sessions, where the university's thought leaders address complex global issues, and renowned professionals and innovators deliver thought-provoking talks and workshops, both online and offline. Whether you want to learn how to get a new job, hear the latest from VGU's academics or just need an excuse to meet with old friends, there's an event for you. Check them out at [alumni.vgu.ac.in/events](https://alumni.vgu.ac.in/events).

# Global Networking *Opportunities*

---

We have alumni groups across the country in the form of City Chapters, which regularly host national-level networking events. You can also join the Global Alumni Directory to reconnect with former classmates and build new connections worldwide. This dynamic directory strengthens your professional network while keeping you closely connected to your VGU heritage. Our Alumni Cell, along with a vibrant alumni committee, continually explores opportunities to engage with alumni wherever they are. We host a range of events, both online and in person, throughout the year.

# Mentoring

Join over 17,000 fellow alumni on our online platform, VGU Family (<https://apps.apple.com/in/app/vgu-family/id6739308201>), and tap into your global community and develop your professional network. Seek or become a mentor to share professional knowledge, experiences, and insights - whether to elevate your own journey or to empower others. We also host regular mentoring meet-ups, so you can connect with your community in real life.

## Benefits

- **Digital Alumni ID Card.** You can use your VGU's Digital Alumni ID Card to continue to access VGU's campus and libraries - just show your profile to enter. It also grants you exclusive access to alumni benefits, campus privileges, and community events.
- **Post & Explore Global Job Opportunities.** You can gain an access to a dedicated space where career opportunities are shared within a trusted community. Whether you're looking for your next career step or helping a fellow alumnus succeed, this feature makes professional connections seamless and meaningful.

- 
- Showcase Your Entrepreneurial Ventures. You can highlight your entrepreneurial ventures to the VGU community. Gain visibility, attract potential clients or collaborators, and build brand presence within a network where trust and credibility already exist.
  - Relive the Journey with Yearbooks. You can revisit cherished memories through beautifully curated digital yearbooks - featuring milestones, photos, events, and the unforgettable VGU spirit.

Wherever life takes you after graduation, you will always be **#ForeverVGUite**. Stay in touch; share your graduation and professional journey with us on our social networks:
